

Western Club Women's Consumer's Week

The governors of Oregon, Washington, Idaho and Utah, at the instigation of women's club organizations of the Northwest, have set aside by proclamation the week of April 3 to 8 as a time for promotion of home industries and to point out the benefits from home purchasing. The merchants of Hood River advertising on this page, are endeavoring to aid club campaign by their co-operation.

YOU OWE

it to yourselves and your community, if not to your home merchants, to buy at home everything that you possibly can. If your home merchants do not prosper they cannot pay their taxes, rent, employees and respond to the many charities and other things which they are called upon to do in the upbuilding of the community. The difference between success and failure in business is so slight that the amount you may be sending away, small though it may be, may be the difference between a profit and a loss to some merchant. We are always glad to meet the Mail Order prices on large orders and our prices on small quantities will compare favorably, with the added convenience of buying what you want, when you want it and as you want.

For "Buy at Home Week" we offer you the following well known goods at attractive prices.

Hood River Butter, 2 pounds 60c
Hood River Prunes, 3 pounds 25c
Hood River Hams, pound 20c
Hood River Bacon, pound 22c
